过去的一年里,在疫情的冲击下,无论是不断持续的行管令,还是突如其来的大水灾,大家都面对了很多不同的考验。在这种种挑战的当下,希望我们都能更从容地调整自己的心态,以更宽阔的胸襟,去接纳外在的实相;以更柔软的心,好好善待自己。

全球19个国家,拥有201个生命线中心。新常态下愈渐频繁的线上互动,让国际生命线协会(Lifeline International)各会员组织之间有更紧密的联系,同时我们也把马来西亚生命线协会的多元性和过去累积的经验分享给更多国家,相互学习并提升彼此的服务品质。2022年,我们协会也将参与数项跨国企划,促成国际发展,也拉拔本土专业水平。

接下来的日子里,我们将持续推广"95 救吾"这个核心精神。过去的自杀案例数据显示,半数以上的

案例为青少年;同时,疫情下中小型企业家们面对着庞大的经济压力,而陷入极度沮丧与无力感。为此,生命线协会将策划更多面向青少年和企业的心理健康活动,给予这些群体更多陪伴和关注。

2021年12月,突如其来的连绵大雨,让我国许多地方都遭受严重水灾,生命线协会也以最快的速度成立紧急支援小组,为灾民的身心层面,都竭尽所能地给予支援。未来,我们希望能够更深入地发展灾难心理支援工作。这是因为在灾难现场,往往不只是经济与物资上的损失,灾民们也承受着许多无助和恐慌,心灵的慰藉和陪伴绝对是刻不容缓的。

最后我要感谢所有以不同形式支持和认可生命线协会的朋友。这个世界需要更多的爱与互助,希望我们能夠珍爱生命,发挥95精神,以生命影响生命,让爱温暖自已,也温暖人间。

自新冠疫情爆发,持续了近两年的时间依然居高不下, 抗疫工作演变成一场长期的拉锯战。无疑地,调整好 自己的身心状态,提升"自救"能力,掌握"求救"资源, 是撑过这场危机最主要的醒觉意识。

过去一年,在"自救"方面,辅导组义工在居家值班模式上日趋成熟,社会心理求救需求日益剧增。2021年的辅导求助者增加了近40%,达到3,613人次的辅导次数。游戏治疗组基于安全考量,暂停线下服务,期间开展密集式线上游疗技巧培训后,于去年底正式推出线上服务,为受疫情困扰的孩子与家庭给予及时援助。

"自救"方面,社会教育组持续开办各种线上课程和媒体访谈,让不同的社会群体得以掌握各种"自救"技巧,影响人数一再突破过往的记录,参与的学员人数高达12,265人,媒体访谈共175场次。关怀组和爱心特工组的服务形式和对象属于人数较多的大团体,因此,特别是这一两年,受惠人数较低。顺应时局的变化,关怀组改以线上方式带领生活营和绘本阅读,爱心特工组则以筹集与派发物资为主;受益于公益活动的民众人数虽少,但接受物资捐献者总计1,408人。

祈望疫情依然肆虐之下,每个人得以掌握"自救"与" 求救"的意识,我们一同走过疫情危机。

2021年对许多人来说实属煎熬。不少企业因经济萎靡而陷入倒闭危机,难得撑到新政策开放经济,却又遇上突如其来的水灾,导致损失及创伤更为惨重。因此,这一年大部分的捐款均倾向于赈灾或生活救济;然而,大家仍然关注着生命线协会,一起分担每月庞大的开销,这份肯定让我们感激不尽。

和其他民间团体一样,本会也面临运作上的艰难。为了应付社会需求,我们迅速做出对策,持续陪伴每位饱受情绪困扰的求助者,也不间断在媒体平台给予社会教育。这场疫情大大增加民众对于心理辅导的认知,生命线将为此不断提升服务品质,以便提供更有素质且有效的帮助。

要能够站稳脚步永久性服务,我们急需950位"95爱心使者"以小额定期捐款方式来资助组织每年基本开销。诚邀各位立即加入,让生命线更有底气地发展,一起为社会打造更美好的明天。

每一笔捐助款项,其 40%将用于"求救", 约1/3用于"自救",另外的1/3则用于义工 培训与督导、营运和赞助征求两大方面。 **193** 以工的奉

2021年,五个小组共计193位义工服务,包括了138位正式受聘义工和55位实习与见习义工。即便义工们的生活都因疫情遭受到不同程度的影响,大家依然坚守岗位,总服务时数达17,535小时。

2021年组长团交流会分别在3个周末进行,共计13小时,由叶燕茹带领正副组长们进行SWOT和TOWS分析,一同拟定出组织的3大发展方向与11项焦点项目。

▶和队友们从互不相识,到分享生活中的点滴和 一起完成新奇的任务。我意想不到的是大家的 参与度与真诚,还有一个能干又积极的组长带

因为赞助伙伴们的支持, 自杀与生命议题

2020年末,金马影后杨雁雁首次与生命线协会合作。我们以《从一通电话说起》为名,举办了四场脸书直播访谈,畅聊备受关注的心理课题。随后,杨雁雁正式担任本会"95爱心大使"一职,积极向外界宣导生命自觉意识。

"我一直都很钦佩辅导义工们的奉献精神。能遇到生命线协会也是个学习的契机。特别在疫情混乱的时期,我们都要学习找到适合自己,并且起效的抒发管道让内在得到调和。"

当初应邀加入生命线,是因为雁雁十分认同"95精神"的重要性。"情绪虽然无形,但它确实存在,必须被我们正视和接纳。只要每个人在逆境当中适时'自救'和'求救',便是一次好的转机,相信能够撑过这场疫情带来的冲击。"为此,雁雁突破技术上的挑战和限制,居家拍摄了宣传短片,号召全民支持定期捐款计划,一同透过本会的服务响应自助、助人的善举。

在3月举办《一分学习·三分陪伴2.0》慈善学堂中,雁雁献上"生命中的潮起潮落"分享会,娓娓叙述过去成功自救的人生经验,为活动掀开精彩序幕。"与自我内在的对话是很重要的。由于我只擅长于演艺,时常担心会因表现不好而失去其他的工作机会这些对未知的害怕和焦虑情绪,不会因为否认而消失。我必须承认它,认真对待它,最终成为推动我向前进的推动力。"

9月,配合《95生命自觉月》,雁雁和线上成长营的参与者述说"STAY NEGATIVE"。这一小时的分享,让营员们提升自我觉知的能力,学习去承认自己的"-ve"是走向"+ve"的第一步。

彷徨失意的时候,希望我们都不轻易放弃,就如雁雁 最常说的一番话,"心里的伤需要时间修复,在需要之 时联络生命线协会寻求帮助。求救并不可耻,也不意 味着你是弱者,因为勇于跳出框框去承认自己需要帮 助并不容易,因此敢于求救的你恰恰是强者。"

10月10日是世界精神健康日,雁雁携手资深督导陈云娟主持"大手拉小手,我们都在"脸书直播,与情歌天后梁静茹关心疫情下的心灵照护,再次履行推广"95精神"的使命。

雁雁也在各大电台进行分享: CITYPlus FM Sarawak 《职业女性注定只能从"家庭"和"工作"中选其一?》、988 FM《被霸凌了该怎么办?》、MY FM《I Hear You》。

"阿9阿5" 走入线上生活

行管令实施近两年,人们更多在网络世界中交流互动。因此,生命线协会将"95精神"拟人化成"阿9"和"阿5"两个吉祥物,以WhatsApp动画贴纸和"我们都在"Facebook头像框的形式呈现,让行管令期间的线上生活依然能感受到人与人之间的相互支持与关爱。

【生命不是二选一】网络贴文

6月下旬,自杀事件频传,社会弥漫着消沉气息。 于是生命线协会在网络上发起一项运动,呼吁大众 示出"生命不是二选一,你愿意和我一起找到其中 的希望吗?"。

当萌生自杀意念时,人们往往陷入"继续痛苦"和"结束生命"二元对立的思维,看不见其他活下去的方式。这时候,如果身边的人能够用心倾听、给予同理和陪伴,协助看见两者之间的各种可能性,哪怕是貌似微不足道的事物,都可能助人度过最艰难的时刻。

此运动获得热烈回响,从小朋友至年长者,超过 300位国内外辅导工作者、知名艺人、企业机构、 大学生等纷纷响应。

自制网络短片 真情展现自救与求救力量

我们首次推出两部短片,设为《自救篇》与《求救篇》,主要传达"9次呼吸,5指安抚"及"听见"的概念,也透过内容呈现给正在困苦中的人们献上叮咛与关怀——"愿你有片刻呼吸的空间"、"愿你的心声能够被听见"和"我们都在"。

2021年12月17日开始的连绵豪雨,让巴生一带的居民遭遇了百年来最严重的水灾。有的灾民失去了亲人,心情沉痛;有的损失惨重,陷入了经济困难。眼看房子的清洗和各种维修工作,许多家庭都倍感压力。

本会在这时候收到来自社会福利局(JKM)的紧急求助信,得知全雪隆区设立了160所临时疏散中心,共聚集超过3万名灾民。然而,该局现有的辅导人力远不足以提供心理急救,于是希望获得各非营利组织的协助。

为此,本会随即组队前往灾区考察,进行安全、需求和条件三方面评估,并紧急整合与调配五组义工人力,再按照当地成人与孩童的心理需求,开展各项支援服务。过程中,我们也得到了台湾曾仁美博士的协助,分享台湾过去灾难现场支援的经验和指引,让义工们的服务真正地为灾民们安身、安心。此外,华社辅导协会也派出执委参与援助,数位赞助者也捐献口罩、手套等防疫设备,以保障服务过程中灾民和义工的健康安全。

在各方共同努力下,生命线陪伴着灾民们一同重建 心灵的家园。

参与义工

• 孩童30人次

- 情绪支援
- **服务灾民** 孩童游戏治疗
 - 团体游戏和表达性艺术治疗

自2018年,生命线协会与州立华小签订合作备忘录,正式把游戏治疗服务引进校园。一般而言,孩子需要进入游戏治疗室,义工们才能陪伴他们抒发内心感受与想法。然而,疫情的持续蔓延,让实体服务久久无法推展。为此,义工们参与国外线上游疗培训及内部培训;经过多番讨论筹备后,正式在10月推出线上游戏治疗服务。

义工们也首度将"因为游戏,看见自己,听懂孩子"父母会心团体改以线上进行,并开放予校外家长参与。我们也与校方举办教师内部工作坊,协助老师们纾解疫情期间的教学压力,提升教学效能。

教师回馈

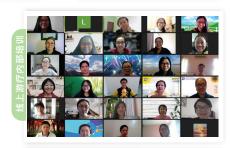

感谢这两天的工作坊,让我有一段回忆初心的 美好时光,也让我感受到发自内心的自在,而 不是额外提醒自己应该怎么做怎么改。老师是 学校的重要资产,看到大家都很开放地分享, 心里的压力缓解了不少,也是另一个大收获。

父母回馈

这是我第二次参与生命线的父母会心团体。还记得刚开始在家里进行游疗时,因为得不到家人的支持,我觉得很无助和孤单。可是当我发现孩子的情绪和行为在成长过程中是相对稳定时,我更加笃定自己的教养方向。对我来说,这是一个简单却高效率的教养方式,还能有效应对现代层出不穷的亲子挑战。

这次上课再度提醒了我,只需要更加强专注,效果就会更好。我感觉到孩子和自己更亲密了,譬如孩子变得主动告诉我学校里的事情或帮忙家务,这都让我很意外。我也从中发现到,接纳孩子的同时,我也正在接纳自己。

感谢赞助者、数届理事和义工们的共同努力下,2020年我们终于购置了蒲种的IOI Business Park 6F27的产业,设立"生命线95推广中心"(Counselling Education Development and Training Centre, CETC)。

随着疫情的稳定,此中心陆续举办了数场实体课程,并将在2022年开始围绕四大核心项目推出相关课程,期许更有效地让社会大众掌握"95精神"。同时,此中心也将补足目前Setiawangsa会所场地的限制,为日益增加的义工培训、游戏治疗和辅导面谈服务提供充裕的实体空间。

HRDCorp 认证课程, 打造职场心势力

2018年起,马来西亚辅导局(Lembaga Kaunselor)规定所有辅导员需修读指定持续专业成长(CPD)学分课程才能更新其注册执照。生命线协会随即受认证为培训机构,至今共推出了超过16场Kategori Wajib 2课程。

95精神 我们的助人核心

"95"取自"救吾"的谐音,涵括"自救"与"求救"两项对生命的醒觉意识。"自救"指的是自我学习与成长,提升心理素质以面对生活中的挑战;当挑战超过自身能力时,我们也需懂得"求救",寻求外界的支援。

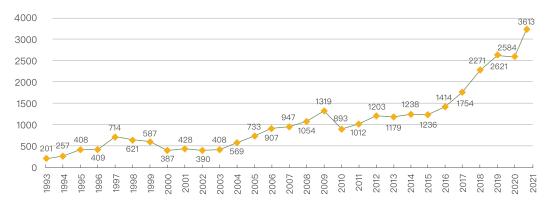

延长辅导 计划,疫情 下持续推进

秉持着"千里一线牵,帮助在耳边"的助人理念,本会自2017 年推动延长辅导计划。即便近两年受到疫情阻隔,生命线协 会依然坚持落实此计划。有别于以往,我们在线上开办了第 23届义工培训,疫情稍缓时才转回实体课程;我们也延后国 外导师带领的督导培训,改由国内导师先行启动储备培训。

2021年,辅导求助者高达3,613人次,为历年来最高记录,而有轻生意念的求助者也逐年增加。因此,延长辅导计划必须持续推进,让更多的求助信号得以及时找到心理支援。

同侪督导团成立, 给孩子 最稳妥的陪伴

为确保孩子与家庭的福祉,自2015年游戏治疗服务推展时,义工们便接受了台湾导师的大团体督导。与此同时,拥有资深经验的义工也接受小组培训,以期成立协会自主的同侪督导团队。继台湾郑如安博士、台湾周明德心理治疗师、新加坡潘桂玲博士三位导师后,2021年义工们也成功在台湾曾仁美博士的带领下,完成27.5小时的督导培训。2022年,本会将诞生第一批自主的同侪督导,为游戏治疗服务品质提供扎实的把关。

线上联系 不孤单 你"孩"有我

2020年底,关怀组义工首创线上生活营《真相不止一个》深受孩子们的喜爱,反应热烈超乎预期,于是前后加场共开办了三次。营员们均表示获益良多,了解到自身的优缺点,提升了自信心,也认识了新的朋友。

因没能亲自拜访儿童之家,义工们精心策划了7场绘本分享会,和孩子们连线互动,从故事和体验中反思,对不同情绪和性格特质有更深一层的探索。即使无法碰面,孩子们依然感受到我们的陪伴,怀着欢乐的心情等待重聚的时刻。

2021年, 爱心特工组集中精力与马来西亚吹水站协会合办 《爱无限》物资捐献活动。该协会负责日用品和粮食的供 应, 生命线的义工们则负责包装及分配的工作, 并亲自将 物资送往雪隆区的弱势团体及有需要的家庭。

迫于疫情的严峻、义工们在2021年只能举办一场捐血活动。 随后在卫生部推动的"PeKa B40 健康关怀计划"中效力,协 助行政工作及维持现场秩序,让医生们能够顺利进行体检。

感恩有您 携手共进

生命线协会在马来西亚社会推动心理健康服务逾30年,除了历届理事、义工 和职员的付出外, 也有赖于各界伙伴从不间断的支持与成就, 这包括了永久 名誉会长与顾问团、赞助者、媒体与艺人、企业、同性质团体、政府单位、 活动与服务受惠对象等。

于是,由这些群体组成一个多边、有机的助人系统,共同支撑起一股有效率 且永续发展的助人力量,带动社会一步步迈向零自杀的愿景。

携手共进 1

《坚毅奉献奖》 得主

因为心中有着一股炽热的助人之心, 义工们才 能在个人、家庭和工作之余, 选择拨出时间与 心神帮助他人; 而能够长时间维持这份心意, 更是不容易达到。

本会每年颁发《坚毅奉献奖》予服务满5年、 10年、15年甚至服务年资更长的资深义工、感 谢他们对社会的持续贡献, 以及把积累的丰富 经验分享与传承给新进义工。

关怀组 服务15年

我在关怀组最大的学习是团体动力的运作。人与人的关系最复杂, 从冲突到磨 合、从怀疑到信任,这一路来跌跌撞撞,需要不停探索才能建立起团队的精神和

我特别想感谢同届的靖凌。我们相互扶持, 一起面对无数挑战也培训了多届的义 工。也要感谢各届组长的承担,长江后浪推前浪,我不得不佩服不同阶段的义工, 尤其对于科技的掌握能力,在疫情间成功办了几次线上营。当看见"青出于蓝而胜 于蓝"的时候,是一种传承的感动。

关怀组十五年风雨路, 秉着"持之以恒"的态度做着能力所及的事, 谢谢一群伙伴 的同在,没有他们接力,就没有我的十五年服务奖。

关怀组 服务15年

我喜欢与大家一起讨论和筹办活动,因为可以感受到义工们全神投入的认真与用 心。所做的一切,就是想为孩子们付出,这份心很是纯真及珍贵,现在想起依然 很感动。感激我可以在这个舞台认识大家, 在生命里程碑留下许多美好的足迹。

辅导组 服务10年

10年义工生涯,最大的收获是学会自我觉察,自我负责。一边倾听和陪伴个案, 另一边自己也经历许多人生的起伏。有了自我觉察的能力,才能以不同的角度看 待问题, 做出截然不同的选择。正如生命线的口号"帮助别人, 成长自己"

曾经陪伴过一位个案,他打来时几乎是走投无路。听着他的心酸,心里也很难过。 但也发现他很坚毅善良,就一再肯定他、鼓励他。过了一段时间后,他竟然找到 解决问题的方法, 打电话来报告好消息和道谢。这是当辅导义工最快乐的事了。

辅导组 服务10年

犹记得当年参加义工培训时, 三个孩子尚年幼。感谢先生的护持, 让我无后顾之忧 地在生命线服务。

这十年里,我有机会认清自己的不足,并坦然接纳自己的不完美。最大的体会,是 不要急着为个案解决问题, 而是协助他调适情绪、探索内在的想法和感受。当对自 己有较清晰的了解,才做出最合适的决定。

我最感动的是、当初陪伴过的个案如今成为了辅导室里的好伙伴。期许我在生命线 还有更多的十年。

在云端中工作、学习和休闲,已成为了 新常态的趋势。借助29家报馆、电台、 电视台、杂志、网络媒体和自媒体高传 播率、覆盖面广的优势,本会讲师团积 极分享各自擅长的议题, 也配合热议时 事话题提供心理专业的视角, 陪伴民众 掌握更多有效的自救技巧, 必要时勇于 发出求救信号。

现代的生活步伐太仓促, 很多人常常忘 了聆听自己, 以致干出现偏差, 甚至是 偏激的思维情绪。因此, 我们主动与生 命线长期合作,希望把辅导及开解的工 作融入大家的牛活层面。

为什么从《一家人的心里话》开始? 我 觉得一个人的个性基础,与家绝对离不 开关系。父母的关系、说话、待人处事 的方式,往往影响了孩子未来的人格与 社交; 再放远大一点的视野, 这大大影 响了社会。

有人说, 为什么你要做这些课题而非商 业性质回馈更高的内容? 因为我也经历 过低迷和困扰,后来我更发现:原来, 不只是我一个人面对一样的问题。

当然,与心理有关的内容,不会即时让 人看见反馈或成绩。而我深知,它比较 像是颗种子,静悄悄地埋入现代人空虚 的内心, 常常要几年后才看见这一切其 实不经意驻入一些人心中, 陪伴、引导 着他们走出低迷的日子, 振作迎向未来!

希望我们继续加油,努力把这颗种子栽 在每个人心里,照护彼此、让彼此乘凉!

在主持辅导节目的日子里,我得到最大礼物是对自己的觉察、对话 与接纳。这也是我视为"爱自己"的方式。后来只要遇上有情绪浮现的 时候、经过一番抽丝剥茧、我都能够更了解自己、活得更坦然自在。

另外还有一个很好的学习,就是"转念"。遇到任何的糟心事,处理 好情绪过后,我都会把它转换成一种学习,赋予它出现在我生命中的 意义。这样的方式能够让再糟的事, 最终都有一个好的结果。

谢谢生命线辅导讲师这些年的陪伴,让我一生受用。

合作中感受到老师的用心, 尤其是聊到比较少接触到的课题, 老师 们还会自行做功课, 以提供更全面的讨论。而且有些老师都能放下 矜持,尝试用很活泼的方式来跟我们互动,让人感觉"心理健康"的 话题不会太过严肃、死板。通过这个节目我也成长了不少,学习到 很多,也增值到自己的生活当中来。

不知不觉,与生命线合作了53期访谈,和讲师们聊得都很愉快。 每一期节目讨论的议题贴紧时事,相信听众们也和我一样,收获了 许多实用的知识、希望这些内容有助于大家改善心理健康问题。

随着行管令3.0的颁布、社会陷入低靡、许多中小型企 业开始无法持续坚持,加剧了人民的生计问题。有鉴 于此, 生命线协会推出《经济困境, 我该如何安住我 的心》线上直播,邀请本地九位企业家分享过去如何 化解事业困难的心得,结合本会讲师从心理辅导层面 的分析, 让中小企业经营者从中借鉴学习, 一同发挥 "自救"与"求救"的精神扭转局势。随后、我们也获得 马来西亚连锁协会 (MRCA) 邀请,与拿督斯里蔡志 权博士直播畅聊《疫情中的弯道超车》。

观众学习

直播让我知道就算生意失败了, 我还有我的 价值和初心, 因为人的价值不依附外在, 而 是内在。

最重要的一句话: 求救不是懦弱, 是正面向 大环境迎战的第一步!

我学会一定要留时间给自己, 稳住自己, 才 能恢复理性,拿回自主权,做出最好的决定。

这场分享让我想起我有一群愿意和我一起打 拼的员工, 我会更珍惜他们。

生命线协会自创立以来, 长年仰赖赞助者和企业 的捐款,才得以为大众提供超过30年的心理辅导 服务。然而,由于大部分属于一次性捐款,不稳 定的财务基础严重影响了发展的规划。

In the past year, we have faced different challenges, be it the recurring lockdowns due to the pandemic, or the unexpected floods. Despite these hardships, I hope we are able to adjust our mentality to face the reality with accepting minds and treat ourselves well with an open heart.

There are a total of 201 Lifeline centres in 19 countries all around the globe. With the new normal fostering virtual interactions regularly, it allowed Lifeline International to build stronger ties with its member organisations, providing us with the opportunity to share Life Line Association Malaysia's multidimensionality and experiences with other countries, exchanging our knowledge to improve each other's quality of service. In 2022, our association has set plans to participate in several multinational projects to achieve development on international levels and elevate the level of professionalism of service in our nation at the same time.

In the near future, we will continue to promote the "95 Spirit", the spirit of self-help and seeking help. According to reports, more than half of the suicidal cases are teenagers, while the entrepreneurs are

falling into a state of helplessness as they face enormous financial stress due to the pandemic. Thus, the Life Line will be organising more campaigns for teenagers and small business entrepreneurs, to give companionship and attention to these people.

In December 2021, a sudden, continuous downpour of rain has resulted in heavy floods in multiple areas of Malaysia. Life Line has immediately formed an emergency group to provide emotional support to the victims. In the future, we look forward to broadening our work in the field of disaster management specifically on mental health care.

Lastly, I would like to thank all our friends who had given different forms of support to our association. The world needs more love and care for each other. I hope we can cherish and influence more lives with the "95 Spirit". Let our love warm us and the world.

The pandemic outbreak has continued for approximately two years, yet it is still at its peak. Undoubtedly, learning to "self-help" and "seek help" is the most essential awareness for us to take good care of both our mental and physical health during the crisis.

In 2021, more people were benefited from "seeking help" service. Counselling clients have increased nearly 40%, reaching the number of 3,613 people. At the same time, online play therapy was also initiated at the end of 2021 to continue support children and families affected by the pandemic.

In term of "self-help" awareness, the number of beneficiaries of public awareness campaign reached a record-breaking 12,265 people while media interviews reached 175 sessions. The social care team has brought life camps and picture book sessions online. Despite the decreased participation from the community due to MCO, community service team focused on collecting and redistributing goods and resources, which benefited 1,408 people.

During this pandemic, we wish for all to be able to grasp the awareness of "self-help" and "seeking help" to survive through the pandemic safely.

Education and Awareness

To many of us, 2021 was a difficult year. Businesses closed down due to the economic downturn, as they looked forward to the economy opening up, days of heavy rain brought a flash flood that caused losses and injuries. Because of that, most of the donations were dedicated to disaster relief and supporting the daily lives of the people in need. We would like to express our gratitude to thank all of you who have been supporting us and sharing the burden of our hefty monthly expenses.

As with other local organisations, our association is also facing operational difficulties. To meet the society's needs, we made quick decisions and strategies to be able to continue offering companionship for those who are in emotional distress and consistently educating society through various media platforms. Due to the pandemic, the public has an increased level of recognition and awareness towards mental health and counselling, and for that, Life Line has been working non-stop to provide better services that are effective and of quality.

However, for Life Line to operate sustainably, we urgently need 950 "95 Angels" to donate a small amount regularly to support our basic operation. We sincerely invite all of you to join us. Together, we can build a good foundation for the Life Line for it to grow stronger and create a better tomorrow for society.

For every donation, 40% of the amount will be dedicated to "seeking help", around one-third of the amount will be dedicated to "self-help", and the remaining one-third will be dedicated to volunteer training and supervision, and also operations and sponsorship seeking.

The spread and uncertainty of the epidemic have urged the drastic need for psychological and mental support in the community.

Given that the suicide rate has increased significantly, Life Line developed various forward-looking strategies to effectively promote the "95 Spirit" in line with current needs.

Adhering to this mission, Life Line actively promotes the ability of "self-help" of people from all walks of life, meanwhile strengthening the awareness and motivation in "seeking help" among the community, so as to overcome the epidemic together.

At the end of 2020, 4 live streams were held together with Yeo Yann Yann, the winner of the Golden Horse Award for Best Leading Actress, to discuss together on mental health-related concerns. Thereupon, Yeo Yann Yann has officially been appointed as the "95 Ambassador" to promote the awareness of 95 Spirit to the community.

"I have always admired the dedication of the volunteers. Life Line provided me with an opportunity to learn. During the chaotic period of the pandemic, we all have to learn to find a suitable yet effective channel to express ourselves and reconcile with our inner self."

Yann Yann acknowledged the importance of '95 Spirit'. "As long as everyone practices 'Self-Help' and 'Seeking Help' on time in the face of adversity, I believe that we can survive the impact of this pandemic." Yann Yann shot a promotional clip at home to encourage more Malaysians to come forward and support the services of the Life Line through regular donations.

In the "Learning to Be A Companion 2.0" charity programs held in March, Yann Yann narrated her life experiences of "self-help", which opened a wonderful prelude to the event."The inner dialogue with myself is very important. Since I am only good at acting, I am constantly worried that I will lose other job opportunities because of my poor performance. These fears and anxiety about the unknown will not disappear because of denial.

I have to admit them, take them seriously, and they ended up being the driving force that pushed me forward."

In September, in conjunction with "95 Life Awareness Month". Yann Yann shared on the topic of "STAY NEGATIVE" with the participants. Participants learned to improve their self-reflection and learn to admit as their first step from "-ve" towards "+ve". "The wound in our heart needs time to be repaired, and when needed, contact Life Line for help. Asking for help is not shameful, nor does it mean you are weak; as it requires tremendous courage to ask for help, you who dare to ask for help are in fact very strong."

On World Mental Health Day, Yann Yann hosted a live broadcast interviewing Fish Leong, the queen of love songs. They shared a similar interest in the mental well being of Malaysians under the pandemic. Yann Yann also promoted the 95 Spirit on various media, including CITYPlus FM Sarawak, 988 FM, MY FM, etc.

We are Here, Love Circulates Through Screens

95 Virtual Mascots

Life Line personified the 95 Spirit as two mascots, "Ah Nine" and "Ah Five", presented in the form of animated Whatsapp stickers and a Facebook profile picture frame of "We are here", allowing people to feel mutual care with one another regardless of the restriction on physical meetings.

Life has more than 2 Choices

In late June, suicidal incidents were frequent, and the society was flooded with depressive atmosphere. Thus, Life Line decided to launch an online campaign, by promoting the viral post of "Life has more than 2 choices. Will you find the hope in between with me?".

When suicidal ideation arises, people often fall into the dualistic thinking of "continue to suffer" and "ending life", and not being able to see alternate ways of living life. If there are people around us who can listen attentively, and support us to see the possibilities between two options, even the seemingly trivial hope can help people get through the most difficult moments.

This movement received enthusiastic responses. More than 300 domestic and foreign tutors, well-known artists, enterprises, institutions, and college students joined the campaign.

Online Screening of short films

We have launched two short films to promote "self-help" and "seeking help" awareness. The films convey the concepts of "Breathing in and out 9 times, 5-finger comfort" and the power of "listening".

The continuous rain caused the residents of the Klang area to suffer the worst flooding. Some victims lost their family members and were depressed; some suffered from heavy losses and financial difficulties. The clean up after the floods has further placed a heavy burden on the victims and their families.

Life Line has received a support request from the Jabatan Kebajikan Masyarakat (JKM) and was informed that the existing counsellors of JKM are far from enough to provide psychological first aid for more than 30,000 victims in 160 temporary relief centres.

To this end, Life Line has then urgently integrated all teams of volunteers to provide support to both adults and children based on their psychological needs. In the meant time, Dr. Ren-Mei Tseng from Taiwan was invited to share some guidance of first-aid support in Taiwan. Besides, several committees of the Malaysian Chinese Community Counseling Association has also participated in this action: several sponsors donated masks, gloves and other preventive measures to ensure the health and safety of victims and volunteers during the service.

With the joint efforts of all parties, LLAM has accompanied the victims to rebuild their homes both physically and mentally.

- Play Groups and Expressive Art Therapy

In 2018, Life Line signed an MoU with SJK (C) Jalan Davidson, officially introducing play therapy into the school. The continuous spread of the pandemic has made it impossible for children to receive play therapy physically for nearly 2 years. After receiving overseas training for online play therapy, along with technical and ethical preparation, we have successfully launched the play therapy service in October.

Meanwhile, the parent supporting groups were conducted online for the first time due to the pandemic. We also held an internal workshop for the school's teachers to help relieve their stress and thus improve teaching efficiency during the pandemic.

Teacher's Feedback

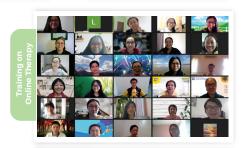

Instead of reminding myself of what I am supposed to do and how to improve myself, I had a good time feeling at ease and recalling my original aspiration as a teacher. Teachers are important assets of the school. It was a big gain for us as well to see that everyone was able to share openly and relieved a lot of stress.

Parent's Feedback

This is my second time participating in the parent supporting group organized by Life Line. When I first started play therapy at home, I was not supported by my family. However, when I found that the children's emotions and behaviours were relatively stable growing up, I became more certain of the principles. For me, this is a simple but effective way of parenting, and it could also be used to deal with the endless parenting challenges in this era. I feel that my child has gotten closer to me. Surprisingly, my child has taken the initiative to talk to me about school and even help with housework. From that, I found out that when I accept my child, I am also accepting myself

Launch of CETC, Expand Services and Training

Special thanks to the joint efforts of sponsors, council members and volunteers. In 2020, Life Line has finally purchased the property of IOI Business Park 6F27 in Puchong and set up the Counselling Education Development and Training Centre (CETC).

Along with the slowdown of the epidemic, four core projects will be initiated at CETC since 2022, hoping that the community will understand the importance of "95 Spirit" more effectively. At the same time, CETC complements the limitations of the current office in Setiawangsa, providing more space for the growing needs of volunteer training, play therapy and face-to-face counselling sessions.

Extension of Counselling Hours, Despite Challenges from Pandemic

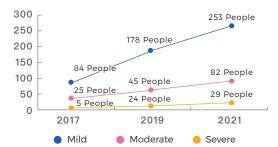

Adhering to the concept of helping others with "Help is as close as a phone call", Life Line extended the counselling hours since 2017. Although it has been obstructed by the pandemic in the past two years, Life Line insists on implementing this plan. The 23rd volunteer training was conducted online at first and switched back to physical class when the pandemic slowed down. We also replaced the planned supervision training led by the foreign professors with fundamental training led by local tutors.

In 2021, 3,613 clients received counselling, striking the highest record over the years. Meanwhile, the number of clients with suicidal thoughts are also increasing yearly. Therefore, the extension of the counselling hours must continue, so that more psychological support in time could be provided to the community..

Peer Supervision Team, Ensuring Well-being of Children

To ensure the well-being of children, play therapy volunteers have been supervised by Taiwanese tutors in a large group since 2015. At the same time, a team of experienced volunteers also received training to become Life Line's own supervisors. In 2021, these volunteers have completed a 27.5-hour supervisor training Dr. Ren-Mei Tseng. In 2022, the first batch of Life Line peer supervisors will be established to ensure the quality of play therapy.

Accompanying Teens in the Online World

The first online camp "More than One Truth" in 2020 was deeply loved by the children, with enthusiasm beyond expectations. Hence, two additional sessions were held. The participants learned about their own strengths and weaknesses, improved their self-confidence, and made new friends, even though they did not physically meet.

The volunteers also organized 7 picture book sharing sessions for the kids in the children's home. Through the online interaction, the kids reflected on themselves from the stories and have a deeper exploration of their emotions and personality.

Grateful to Have You Along the Way

Life Line has been promoting mental health services in Malaysia for over 30 years. This is not only due to the dedication of the council committees, volunteers and staff, but also to the continued support from various populations, including honorary life presidents, advisors, sponsors, media, celebrities, enterprises, NGOs, government departments, and beneficiaries of the activities and services, etc.

Eventually, all of these has formed a multi-dimensional yet interactive system that supports an efficient and sustainable force to gradually drive society towards the vision of zero suicide.

Dedication Award Winners

The passion to help others drives the volunteers to commit time for the voluntary work for years, despite having their personal, family and career commitments. Every year, Life Line awards volunteers who have served for 5, 10, 15 years and above with the "Dedication Award" to appreciate their commitment to society.

Ong Cheng Kooi Social Care 15 Years of Service

My greatest learning in the social care team is about group dynamics. Continuous exploration is required to develop good team spirit as interpersonal relationships are complex.

I would like to especially thank Cheng Leng. We supported each other to face challenges in the team and trained batches of volunteers. It is admirable to see the compatibility of the juniors, particularly in their technical skills that contributed to the success of the online camps during the pandemic. Whenever I find juniors surpassing the seniors, I am touched by the excellent succession of the team.

Thank you friends who have journeyed with me in this team for the past 15 years. We have always done the best out of our abilities with perseverance. Without you all, I would not have achieved this award.

Counselling 10 Years of Service

When I first joined the volunteer training, my three children were still very small. So, I appreciate my husband's support for me to serve in Life Line without worrying.

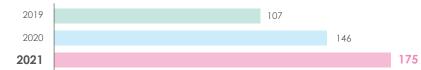

I have learned to recognise and accept my weaknesses and imperfections in these 10 years. My greatest realisation is to not rush into helping others to solve problems but to assist them to explore their inner thoughts and emotions. When they have a clear understanding of themselves, they can make the most suitable decision.

What touches me most is to have those who I supported before be my partners in Life Line now! Looking forward to journeying with Life Line for more decades to come.

Allies 2 **Moving Forward Together**

With the help of the high exposures from 29 media outlets including newspaper, radio, TV, magazine, online media and self-media, Life Line was able to share the mental health issues to a wide variety of audiences, as well as provide advice on current issues from psychological perspective.

Media interviews in Recent Years

Lim Bi Qiu Senior Editor @Feminine Magazine

The pace of modern life is too hasty, many people often forget to listen to themselves, resulting in extreme thoughts and emotions. Therefore, we take the initiative to cooperate with Life Line, hoping to integrate the work of counselling and enlightenment into everyone's life.

We started with the column "The Heart of a Family" because the foundation of one's personality is absolutely inseparable from the family. We decided to focus on these mental health topics rather than commercial topics because I had experienced downturns and troubles before, and I found out that I was not the only one facing the same problem.

I know very well that it is more like a seed, quietly buried in the empty hearts of modern people. It often takes a few years to see that all this has actually settled in the hearts of the readers inadvertently, accompanying and guiding us out of downturns! I hope that we will continue to work hard to plant this seed in everyone's heart, to take care of each other, and let each other enjoy the shade of the plant!

Essel Yap DJ@Ai FM

The greatest gift I have received from hosting a counselling program is awareness, dialogue, and acceptance of myself. As long as I had emotions, I could understand myself better and live a more calm and comfortable life. I have also learned to "change my mind". Whenever I have bad days, after I deal with the emotions, I will turn it into a kind of learning and give it meaning in my life. In this way, no matter how bad things are, there is always a good result in the end. Thank you to the speakers from Life Line for your company over the years, which has helped me throughout my life.

DJ@CITYPlus FM Sarawak

I can feel the passion of the speakers, particularly when we were discussing topics that were paid less attention by the community. Some speakers shared in a very lively way, in order to attract more audience to be aware of the issues. I have also learned a lot personally through these interviews.

Jean Lai DJ@CITYPlus FM Sarawak

We had collaborated with the Life Line on 53 interviews. Each topic discussed are closely related to current issues. I believe that the listeners have gained a lot of practical knowledge from the sharings, and subsequently promote the well-being of the community.

In August 2021, Life Line has invited 9 entrepreneurs to share their experiences, in Facebook live streams, on how to manage past and current challenges, along with psychological considerations from Life Line speakers. We hope that more SMEs owners could be benefitted and utilise the spirit of 'Self-Help' and 'Seeking Help' in making a successful comeback. We were also invited by the Malaysian Retail Chain Association (MRCA) to have a live stream sharing with Datuk Seri Dr. Chai Kee Kan on the self-care of entrepreneurs during the pandemic.

Facebook Comments

I learned that even if my business failed, I am still worthy and shall remember my initial aspiration; Others don't define me, I define myself through words and actions.

The most important message for me is, "Asking for help is not weakness, it is in fact a critical step in facing challenges."

I learned that I must allocate some 'Me Time' so that I can restore my rationality, regain my autonomy, and make the best decision.

This sharing reminds me that I have a group of employees who are willing to work hard with me, and I will cherish them even more.

My Starfish Foundation

My Starfish Foundation, under the leadership of PK Cheng, has continuously funded our awareness campaign since 2014, which has benefited more than 20,000 people. NGOs

In 2021, Life Line has supported three series of mental health campaigns hosted by other counselling NGOs. This resource integration among NGOs facilitated the efficiency in raising public awareness and more people benefited from the campaigns.

Co-organizing "SMARTSTART 2.0"

Since 2006, Life Line and LPPKN have jointly organized SMARTSTART, the Pre-Marital Education Course. So far, 313 couples have benefited from this project. In line with current social needs, LPPKN will officially launch the "SMARTSTART 2.0" in 2022. As such, LLAM has been invited to participate in the preparatory work since 2019, including brainstorming, pilot trials and mentor training. In 2021, Life Line has completed the first round of the Chinese beta test for the public.

Co-organizing "A Conversation on Suicide"

In October 2020, Princess of 16th YDPA, YAM Tengku Puteri Iman Afzan was appointed as the international patron of World Mental Health Day and established "The Green Ribbon Group" to improve the mental health level in our country. In August, this group and the Malaysian Mental Health Association (MMHA) jointly launched "A Conversation on Suicide" course. Life Line was also invited to serve as the Chinese instructor for this program, to strengthen the community leaders' awareness and capabilities in handling suicidal crises.

Moving Forward Together

Cross-ethnic service serves as one of the important developmental objectives of Life Line. With the expansion of the volunteer team in recent years, Life Line has co-operated with several government departments and NGOs to provide mental health services and programs for different ethnic groups. During the pandemic, we also provided online counseling for foreign employees of the International Catholic Migration Commission (ICMC), Malaysia branch and assisted 9 clients in 16 sessions to relieve their psychological distress.

Particularly, Yudi Yap, Miau Miau, Lenna Lim, Choo Hao Ren, Essel Yap, Boey Teoh, Wayne Lee, Ruby Yap, Rasyidah, KeQing, April Chan and others have even created short clips to promote this event.

In addition, eight live streams in total were launched in 2021, with Yeo Yann Yann, Miau Lim, Freddie and Catz as the guest speakers. They were invited to share their living experiences and insights under the pandemic and highlighted the importance of "Self-Help" and "Seeking Help". On October 10, World Mental Health Day, we also specially invited Fish Leong, as guest speaker for a facebook live stream, joined by Yann Yann and Tan Hoon Kian. They shared ways to self-care and reminded the audience that "We Are Always Here" even during the pandemic.

"As an NGO, we hope to provide a "stable" support for those facing darkest moments. Without "stability", the support given will become insecure, uncertain, and restricted."

Life Line relies on donations from the public to maintain our services for more than 30 years. However, since the majority consists of one-off donations, our financial standing is unstable and subsequently restricts the expansion of the service.

Therefore, we wish to recruit 950 "95 Angels" to donate RM1 daily. This small but regular donation can help to build a stable financial foundation for us to provide the public with services at a larger scale.
